THIS FORM MUST BE RETURNED TO API STAFF

API standards meetings are open to all interested parties. By participating in the standardization process, you agree: (1) to fully comply with API's policies and procedures governing standards, (2) that once balloted and approved by API, API shall have the sole and exclusive right to use any materials submitted by the participant for use in the standard, (3) you will not provide any material that will violate the rights of any third parties including, but not limited to, patents, copyrights, trade secrets, and trademarks, (4) to disclose the existence of any patented technologies in the material that you provide, and (5) you will not make audio or video recordings of API meetings without the express written consent of all persons being recorded.
