1. INTRODUCTIONS AND ATTENDANCE SHEET

Earl Crochet opened the meeting and the table of issues would be used as an agenda.

2. CO-ORDINATION ISSUES

The tabulation of issues was reviewed and is shown below.

SCI/SCAST Resolution & Strategy Work Group

Date Initiated	Item	653 Reference	Assigned To	Status
Fall 2007	RBI Intervals			Balloted awaiting publication expected in Addendum 1 Jan 2009.
Fall 2007	Referencing of RP 580		Unknown SCAST will check	
Fall 2007	Inspector Certification Wording			Completed.
Fall 2007	Manual UT Wording		JO'B	SCI will revisit and make proposal
Fall 2007	Identification of 650 (commercial) items not required for ICP exam.		JO'B	In progress – has required the deferral of 650

				from ICP for at least one and possibly two exam cycles.
Fall 2007	Maintenance of 653 ICP Body of Knowledge		E Crochet	Rick Nichols reemphasized the need for more SCAST participation in question writing and exam construction.
Fall 2007	2 ballots to amend Appendix G	App G		SCAST will have Nelson Acosta interface with JO'B to move this item forward.
Spring 2008	API RP 575 Next Edition		Nelson Acosta	SCAST have provided Nelson Acosta,
Spring 2008	Add definition of RBI to 653 consistent with 510 & 570.			On hold pending publication of RBI intervals.
Spring 2008	Recognition of EEMUA 159		JO'B	Draft to be raised
Spring 2008	CUI RP 584.			Ensure SCAST vote on items relating to tanks.
Spring 2008	Take the summer ballot on hydrotesting into RP 575.			
Spring 2008	Regulatory Action program on Tanks		S Crimardo	Steve to identify what data API currently has and forward for review to EC & JO'B. CRE members to highlight at CRE.
Fall 2008	Passing SCAST ballots through SCI to see if needed balloting to SCI. This becomes a standing item for this task group.		S Crimardo	This was not done this summer – SC to pass to JO'B after meeting. CRE members asked API to look at a formal way of ensuring this happens in the future.
Fall 2008	Membership of SCAST		E Crochet	CRE members highlighted that

				API rules indicate recommended size of a sub committee and membership. Earl will investigate this. API to provide Earl with rules.
