**To:** P-members  
O-members  
L-members

**Copy to:** ISO/CS

### **Results of 2007 Q2 systematic review of ISO/TC 28 standards**

Please find attached the results of the 2007 first quarter systematic review of ten ISO/TC 28 standards. In light of these results, the following International Standards are proposed for:

#### **CONFIRMATION**

##### **ISO 2207:1980**

*Petroleum waxes — Determination of congealing point*

##### **ISO 13357-1:2002**

*Petroleum products — Determination of the filterability of lubrication oils — Part 1: Procedure for oils in the presence of water*

Unless I hear to the contrary by: **2007-11-15**, I shall assume you are in agreement with these proposals.

Yours sincerely

*Paula Watkins*

Paula Watkins  
Secretary to ISO/TC 28
