Chairman of ISO/TC 28/SC 6

It is with great sadness that I report the death in April of Bob Dix. Mr. Dix had been Chairman of ISO/TC 28/SC 6 since the Subcommittee held its second meeting in Mexico City in 1979.

In his 22 years as Chairman, Mr. Dix was an unceasing supporter of international petroleum measurement activities and an outstanding ambassador for the USA. He will be sorely missed.

The USA is currently attempting to identify a successor to Mr. Dix. In the interim, all enquires should be addressed to the Secretary.

Yours sincerely

Paula Watkins
